

Camp Rainey Mountain Alumni Association

Encouraging Scout camping in Northeast Georgia through promotion of camping operations and support of our camp's property, programs, and staff.

In the summer of 1954, the Northeast Georgia Council, B.S.A. opened a small summer camp in the mountains of Rabun County called Rainey Mountain. Over the past fifty years CRM has grown to be one of the most popular B.S.A. camps in the country. The campers and members of the staff from the past have come together to celebrate our camp's success and ensure it's future by organizing the Camp Rainey Mountain Alumni Association.
