Sharing seamanship, maritime tradition and fun on the water, Aquatics Adventure is a different kind of camping from what

your use to. While on your adventure you'll also get to enjoy free swims, boat tours, night sailing, navigation, boaters safety, tubing, and we'll even have a lakeside campfire to bring the festivities to a close. All activities provide advancement opportunity. Please see your instructor for details when you arrive. FOOD IS PROVIDED for this event, so bring your appetite. The fun and fellowship is like none you've experienced!

Adults:

You can take Safe Swim Defense and Safety Afloat while you are there or you may participate in the NEW Aquatics Supervisor Courses. A certified Aquatics Instructor, BSA will be on hand to administer Swim Tests, which are good for the whole year (Including summer camp!). We'll even show you how to plan and prepare fun, safe, year-round aquatics programs for your scouts. Our highly

trained staff is made up of Northeast Georgia Council's best-trained BSALifeguards from Camp Rainey Mountain and Scoutland summer camp staffs. And since food is provided, you and your scouts have more time to spend on the water.

Scouts: Interested in learning maritime tradition. Become an expert at seamanship, knots and ropes, parts of the boat and boat maintenance. Learn about the time-honored traditions of Sea Scouting in our very own special flag ceremonies and changing of the watch. Ring the ship's bell as you lead the camp in a special recognition of your efforts. See you out there on the water this summer!
